ASSIGNMENT

WHEREAS, Michael Lloyd Cochran, Laszlo Elteto, Jenine Ann McQuaid, and James W. Yip, (hereinafter "Assignors"), made certain new and useful inventions and improvements which are entitled BOOT-UP AND HARD DRIVE PROTECTION USING A USB-COMPLIANT TOKEN and which are disclosed in:

☒ U.S. Application filed on same date herewith and listing the above named person(s) as inventor(s)

AND WHEREAS, Rainbow Technologies, Inc., a corporation organized and existing under and by virtue of the laws of the State of Delaware, and having an office and place of business at 50 Technology Drive, Irvine, California 92618 (hereinafter "Domestic Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to the Letters Patent to be obtained therefor as they pertain to all rights in the United States of America;

AND WHEREAS, Rainbow Technologies B.V., a corporation organized and existing under and by virtue of the laws of The Netherlands, and having an office and place of business at Oliphanteweg 10, 1397 J.e Rotterdam, Rotterdam, Netherlands 3190 (hereinafter "Foreign Assignee") is desirous of acquiring the right, title and interest in and to said inventions, improvements and application and in and to the Letters Patent to be obtained therefor as they pertain to all such rights in countries other than the United States of America;

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof is hereby acknowledged;

Assignors have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Domestic Assignee, its successors or assigns, the entire right, title and interest for the United States of America in and to all inventions and improvements disclosed in the aforesaid application, and in and to the application, all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and do hereby authorize and request the Commissioner for Patents to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the Domestic Assignee as the assignee of

the entire right, title and interest in and to the same, for the use of the Domestic Assignee, its successors and assigns.

AND Assignors have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Foreign Assignee, its successors or assigns, the entire right, title and interest, for all countries other than the United States of America, in and to all inventions and improvements disclosed in the aforesaid application, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom;

AND, for the consideration aforesaid, Assignors do hereby agree that they and their executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Domestic and Foreign Assignees, their successors and representatives all facts known to Assignors relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Domestic and Foreign Assignees, their successors or assigns the entire right, title and interest in and to the improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore Assignors covenant and agree with said Domestic and Foreign Assignees, their successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by Assignors and that full right to convey the same as herein expressed is possessed by Assignors. An attorney of record is authorized and requested by the execution of this assignment to insert into this assignment the filing date and serial number of said application when officially known.
